Update

Friday 15 May 2020

Hello everyone,

Hope you are well and that you and your loved ones are doing alright in spite of the circumstances.

Thank you to everyone who had responded so positively to Ben's appointment as Youth Pastor. The number of responses has been encouraging and I am sure Ben is encouraged by all the positive sentiments expressed. Also thank you to everyone who has been giving us feedback on the online services. It seems that Aaron's music room with the wall of records has been a highlight!

Church members should have received the information pack in lieu of a member's meeting last week. If you did not receive your email please check your junk and/or spam folder to make sure it hasn't ended up there. If you need it resent please contact Wendy via the church email address: [church@ljbc.wa.edu.au](mailto:church@ljbc.wa.edu.au)

Some of our ministry groups and small groups have been asking when we will be able to restart given the announcements about groups of 20 meeting. There is a government process that the church needs to engage with before the government will allow us to open any ministry groups and we are currently working through the process. I will be sending an email to ministry and small group leaders next week when we have completed the necessary government requirements.

For your encouragement, I am also including a link here from Baptist World Aid explaining some of the ways they are ministering to people in need. BW Aid is the group we support with our Christmas Day offering each year and have been involved with for overseas ministry trips in the past. <https://vimeo.com/417911566>

I hope you enjoy Sunday's online service and we will look forward to when we can meet together again.

Warm Regards

Steve Ingram
