

Hello everyone

Thank you to all of you who have been looking after other people. As the government looks to introduce a way forward for Australians we will keep you informed of any changes that they release and what the implications are for our church and ministry.

In lieu of being able to have a members' meeting this weekend we will be sending out some reports and other information for members on Monday or Tuesday. Anyone else who would also like to receive the extra information can email the church office with their contact details.

One of our ministries that has been working overtime during this period, helping people with debt and other needs, is CAP. For the first two Thursday nights of June (4th and 11th), we are running a free online money course in partnership with CAP. Over the two nights, we'll be taking a look at topics like building a budget, debt reduction, saving strategies and using cash, while also having some fun in the process. Whether you're struggling financially or you simply want an easier way to manage your money, the two nights will be dedicated to helping you save and spend well. The sessions will be run on Zoom. To join us, simply click through to the below link to register:

https://capmoney.org/en_AU/joinacourse/5ea8f0b159a18447c8443922

A big thank you to Janet who has also been making material available for our children so that they can continue with their Kids' Ministry even though we are not together. If you have not received any kids' min material but would like to be, make sure that you contact Janet or the church office.

Stay safe and make sure you contact us if there is anything we can do to help you during this time.

Steve
