

News

With the announcement that Paul Sonneman-Smith has been appointed Principal of the LJB College please continue to pray for the College community as they move into the summer holiday period and make preparations for the 2021 school year.

This Sunday 13 December

This is our second week in Advent, with the message from Isaiah 9:6 with the theme "For unto us a child..." at our morning services.

Mandatory Contact Registers

As announced last week, from last weekend government regulations require mandatory contact registration for churches. QR codes are available to scan at the Hall and Auditorium if you download the SafeWA app. Paper based contact registers where you can sign-in should you not have the app are also available.
