

Dear LJBC

We are pleased to let you know that our **regular church services will resume this Sunday 2 May**. The government announced last night that, as planned, the Perth and Peel post-lockdown restrictions are set to be significantly eased further from 12.01am Saturday, May 1. The easing of restrictions will see Perth and Peel move closer to the return of pre-lockdown life, but a small number of transitional measures will remain in place until Saturday, May 8. The Chief Health Officer has advised Perth and Peel will need to see through the full 14-day incubation period before pre-lockdown life can fully resume.

This government announcement includes that **masks are mandatory for indoor public venues**. Exemptions apply including for medical reasons and primary school aged children or younger. People should use common sense and take a mask with them whenever they leave home. Therefore, we will be required to wear masks indoors at all times for church, including during the church services and singing. Those preaching and leading worship at the front will be exempt. So please bring your masks with you on Sunday. We will have some disposable masks available at the doors.

Contact register sign-in via the SafeWa app or manually **remains a mandatory government requirement** for all church services and activities. Physical distancing and regular hand sanitising are also still requirements.

The **Celebration of Life for Gladys Lawrence** planned for **during the 8:00am service will still go ahead**.

The **Demystifying Aged Care session** to be run by BaptistCare on Sunday afternoon from 2:00pm **will now be postponed** to a date to be advised. Those who had registered online as attending should have been contacted directly by BaptistCare regarding this.

We look forward to seeing you at the services this Sunday:

8:00am | 9:30am | 6:30pm

Take Care.
